TERMINAL DISCLAIMER TO OBVIATE

DOUBLE PATENTING REJECTION (37 CFR § 1.321(c))

Dear Sir:

1. Name of Assignee: Palmsource, Inc.

Address of Assignee: 1240 Crossman Avenue, Sunnyvale, California

94089.

|| 12/29/2004 MBERHE 00000037 10648553

2. The Assignee certifies to the best of Assignee's knowledge and
belief that Assignee has the entire right, title, and whole interest in and to

the above referenced patent application, and represent that the undersigned is authorized to sign on behalf of the above-referenced Assignee.

3. On information and belief, a copy of an Assignment or other documents that evidences placement of title of the above-referenced Application in the Assignee is recorded with the United States Patent and Trademark Office at:

Reel: 014675

Frame: 0475

Recorded on: May 12, 2004

A certificate under 37 CFR 3.73(b) is attached hereto regarding the above and establishing the right of the assignee to take action in the above referenced patent application.

4. Disclaimer

The terminal part of the statutory term of any patent granted on the above-identified application, which would extend beyond the expiration date of the full statutory term defined in 35 U.S.C. 154 to 156 and 173, as presently shorted by any terminal disclaimer, of the prior United States Patent No. 6,671,700 forming the basis of the double patenting rejection is hereby disclaimed except as provided below, and it is agreed that any patent so granted on the above-identified application shall be enforceable only for, and during, such period that the legal title to said patent shall be the same as the legal title to prior United States Patent No. 6,671,700; this agreement to run with any patent granted on the above-identified application and to be binding upon the grantee, its successors or assigns.

In making the above disclaimer, disclaimant does not disclaim the terminal part of any patent granted on the instant application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. 154 to 156 and 173 of the prior United States Patent No 6,671,700 in the event that it later: expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 C.F.R. 1.321, has all claims canceled by a reexamination certificate, is reissued in any matter or is terminated prior to expiration of its full statutory term as presently shortened by any terminal disclaimer, except for the separation of legal title stated above.

5. Fee Payment. Enclosed is a check in the amount of \$130.00, under 37 CFR § 1.20(d). The attorney of record is empowered to sign on behalf of Assignee.

6. I hereby declare that all statements made herein of my own knowledge are true, and that all statements made on information and belief are believed to be true; and further, that these statements are made with the knowledge that willful false statements, and the like so made, are punishable by fine or imprisonment, or both, under Section 1001, Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.

Dated: 12/15, 2004

Respectfully submitted,
